1st August 2018

LITERACY AND NUMERACY WEEK @ CPS

Dear Parents,

Craigieburn Primary School is celebrating **Literacy and Numeracy Week** between 27th to 31st August. It is anticipated that all students will be able to actively participate in the valuable experiences that will promote a greater enthusiasm for literacy and numeracy.

Literacy Activity

The 'Labyrinth in the Library' is an exciting and adventurous performance which includes some puppetry with a focus on books and great literature. It is a fabulous celebration of reading. The performance incorporates a variety of shadow and hand puppets. The session will be held in the library on **Tuesday 28th August**.

Numeracy Activity

During the week, students will participate in mathematical games that focus on logical thinking and reasoning as well as working together to discover a winning strategy. Students will also have the opportunity to practise mathematical skills in a fun 'M&M's Estimation Competition', with prizes awarded for the best guesses in every year level.

Please let your child's teacher know if your child is unable to eat M&Ms so that a suitable alternative may be provided.

The cost of participating is \$10.00 per child. (There is no G.S.T. payable on this incursion.)

This includes the performance 'Labyrinth in the Library', classroom activities and our fun 'M&M Estimation Competition'. Please fill in the form below and return it to school with **\$10.00 by Friday 24th August 2018**.
