## YEAR 6 - MOVING INTO THE TEEN YEARS

Dear Parents/Guardians,

Interrelate, in conjunction with Craigieburn Primary School, will be conducting a program for students in Year 6 to prepare them for High School. '**Moving into the Teen Years**' explores a range of adolescent issues and offers a comprehensive sexuality and relationship education program designed specifically for this important time in life.

Interrelate will be conducting the program over three sessions. All children in Grade 6 are expected to participate in this worthwhile program. **The school has decided to pay for these sessions for all of the students in Grade 6.**

The sessions will be conducted on the following dates:

Tuesday 10 <sup>th</sup> November
Tuesday 24 <sup>th</sup> November
Monday 7 <sup>th</sup> December.

### **Program Outline:**

**Session 1: Understanding My Body**

**Session 2: Respectful Relationships**

**Session 3: Taking Charge**

Please see details of the program attached or visit their website <https://www.interrelate.org.au/> for further details.

Sexuality Education is a component of the Victorian Curriculum. Educators from Interrelate are experienced teachers of this field.

We have used this company to run this program for several years and the children have found it very beneficial.

There will be a **parent information session on Thursday 15<sup>th</sup> October from 7pm to 8pm.**

In line with COVID safe practices all sessions including the parent information session will be offered remotely. The classroom teacher will be present in all sessions. Information will be posted to Compass outlining how to remotely join the parent information session.

Yours sincerely,
