

Craigieburn Primary School Carnival

Friday 26th October 2018

MYSTERY BOTTLESMYSTERY BOTTLES

Have your children been asking for you to donate a Mystery Bottle or Container?

Not sure what it is all about ????

At our Carnival on **Friday 26th of October** one of the stalls will be a Mystery Bottle Stall — so we are asking for donations. If every family donated a bottle or container we could raise over \$1,000. The bottles will be sold for \$2.00.

The grade who brings the most bottles will win a prize.

The bottles can be everyday things that you might buy like chocolate sauce, pancake mix or you might like to create novelty bottles, which the children love.

Bottles / Containers need to contain NEW products. Lollies or chocolates need to be individually wrapped or in their original packaging.

Get your creative minds working (no alcohol) and send along a bottle or container for our Carnival.

The bottles are to be sent to your child's room.

Thanks for your support

Pam Gouramanis

Acting Principal
