

Craigieburn Primary School

Homework

As part of a comprehensive and balanced curriculum within Victorian schools, homework is one way of supporting and fostering life-long learning and connecting families with the learning of their children. It is important for children to have a balanced lifestyle which includes sufficient time for family, sport and recreation as well as cultural pursuits.

At Craigieburn Primary School, homework provides opportunities to practice skills learned in their classroom. Parents can support their child by developing a positive approach to homework. The following home learning tasks have been organised for your child.

READING EGGS HOMEWORK

MATHSEEDS HOMEWORK (Foundation & Grade 1)

Go to the following website: <https://readingeggs.com.au/>

Login using the student's individual username and password.

Mathseeds – (For Foundation and Grade 1 students only) - Once you have completed your Reading Eggs login, click on the MATHS tab to access Mathseeds.

See your teacher
for your login &
password details

MATHLETICS HOMEWORK

Go to the following website: <http://au.mathletics.com/>

Login using the student's individual username and password.

See your teacher
for your login &
password details

HOME READING

Encouraging daily reading habits are important. Students will be borrowing books from school to read at home. These will be from our Home Reading boxes or the Library. Reading both **fiction** and **non-fiction** books provide for a good balance in building comprehension skills. Reading with your child, listening to them read and talking about what they have read, is valuable in building comprehension skills. Other opportunities for home reading may include reading online, reading newspapers, recipes, books from local library, etc.

ADDITIONAL ACTIVITIES TO SUPPORT LEARNING

Talk Homework – In preparation for writing each week, some grades will be given 'Talk Homework' to support their planning in the classroom. Parents are encouraged to discuss the chosen writing topic.

Further Ideas – Please see the School Website for additional homework activities or speak to the classroom teacher.
