

Viewing Reports on Compass

The Semester 1 Reports are now available for parents and students to view on Compass.

This report contains a summary of your child's achievement against the Victorian Curriculum. Due to the remote learning period in Semester 1, this report has been modified compared to previous reports. The report provides teachers, parents and students with a picture of your child's achievement at a point in time.

Please see below for further information about viewing and downloading the reports. If you wish to access student reports from a tablet (e.g. iPad), select the 3 lines at the top left of the screen and then select **Open in Browser**. You can then follow the prompts from the attachment.

Students can also view reports from their Compass Account. They can do this by selecting the pencil icon and then selecting **Learning Tasks**. They then select the **Reports** tab. If using a tablet, students can select the 3 lines at the top left of the screen and then press the **Reports** option.

Please send an email to craigieburn.ps@education.vic.gov.au if you require further assistance.

Viewing Academic Reports

1 From the home screen, click on the 'View Academic Reports' item or navigate to the 'Student Profile' and click the 'Reports' tab.

2 A list of 'Academic Reports' will be displayed. Click the report title to download the PDF.
